Came back for our third experience with Escape Live and it just gets better and better. Their new venue is beautiful and 1920's theming works fantastically with the Peaky Blinders rooms. The attention to detail is second to none. The food was delicious, the bar was fully-stocked (until we got stuck in) and the staff were great.

Came here for a staff night out and it was brilliant can't wait to come back again. Booking for a large party was easy and they even sorted the groups out for us which was a bonus. Would definitely recommend for team building events or just a bit of fun.

Had a fantastic team-bonding day at the new Escape Live venue. The Peaky Blinders rooms were INCREDIBLE. We opted for one of the packages that included buffet food, unlimited drinks and private hire of their stunning Speakeasy-esque function room and it was fab. With full A/V equipment, air conditioning and excellent service it truly was a 5-star experience. Great fun and value for money.

Our small office are 50/50 Peaky Blinders fans but every single one of us had an amazing time. We did the Platinum package which included 2 escape games per person, food, drinks, private hire of their 1920s bar and a very entertaining team-building facilitation session.
