OUR MEETING SPACES

THE PENTHOUSE

Our new-build meeting space, located in Liverpool One, with natural lighting through floor-to-ceiling windows, air conditioning and comfortable furnishings, this is the perfect space to engage and inspire your team.

We welcome teams of all sizes to the Penthouse Suite, which is ideal for all types of corporate events such as company get-togethers, meetings, conferences, panel sessions, workshops, networking events and team building activities.

With space for up to 70 guests in a private setting, you can enjoy a meeting space with a difference, that comes fully equipped with your required AV needs too. We can accommodate various layout options to suit your requirements.

The Penthouse Suite was the perfect place for our team building day. No-one had to leave for food or drink, everything was included that we needed and more!

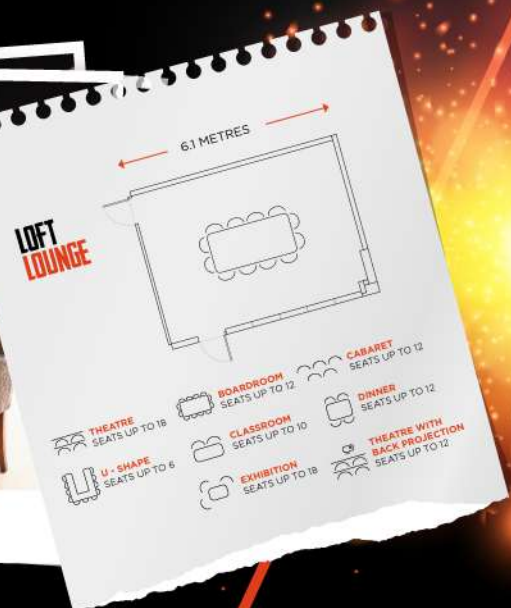

Our intimate space designed for smaller teams or as a breakout room for bigger groups. Enjoy privacy and comfort in this room.

Enjoy a room filled with natural lighting, air conditioning and adapted to your needs. With space for up to 20 guests, you'll have access to Wi-Fi, stationery, refreshments and privacy!

Loved the Loft Lounge. Very clever use of space and a great place to present and collaborate in between escape rooms.

OUR MEETING SPACES

TERRACE

In the heart of Liverpool One, hire one of the largest rooftop terraces in Liverpool, and a venue no one will forget.

With access to our private bar we welcome groups of all sizes for a variety of events, ranging from corporate away days to birthday parties. There's space for up to 100 people, so we can cater for larger groups. Make it a daytime event that rewards your group, or an evening event for networking or celebrating.

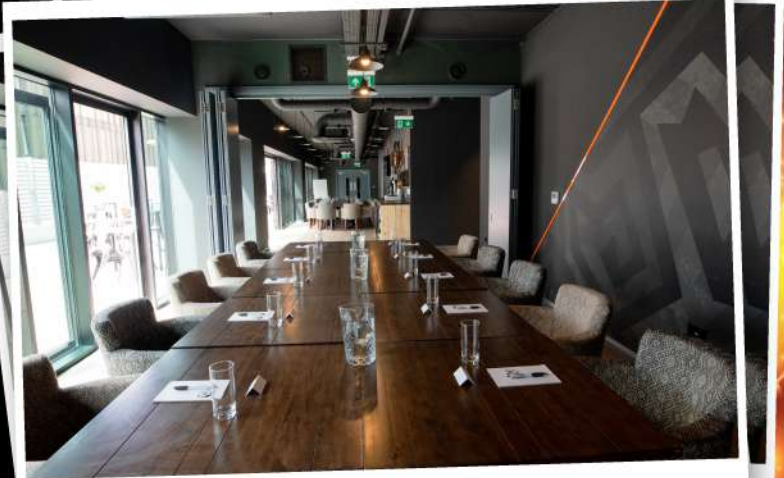

We had no idea something like the Terrace was available to us. Being able to drink and chat outside brought everyone's mood up. We'd love to come again.

Combine our Penthouse and Loft Lounge together for a larger space that everyone can enjoy.

For larger parties, we can open up our entire space to allow everyone to engage and communicate, for a team building day, networking event, or whatever else you have in mind.

Add in a more premium package, and we can provide drinks, food and escape rooms for everyone attending.

Our event needed a larger space, and Escape Live were more than happy to provide it. The Penthouse Suite looked great; it's a welcome change from other venues.
