"This week I had the privilege to join the UK Finance team's virtual event themed on Change; bringing together our 100 person strong finance function to connect, learn and have some fun, all virtually!"

The event culminated in a wonderfully fun (and dare I say hugely competitive) virtual Escape Room experience, expertly run by Escape Live. UK / US"

"Sherlock Holmes The Grand Debut was simply fantastic! The support and advice offered before and after the event was fantastic from start to finish. We cannot recommend the event enough - we certainly enjoyed it far more than I think any of us expected to."

Thank you Escape Team Events for such a fun night!"

"Our team of 197 played Pat Sharp's 'Fun House' for our Christmas Party, and the feedback has been overwhelmingly positive! Everyone thoroughly enjoyed it and the competitiveness during the quiz, which was also quite hilarious! I was very impressed with Pat and I would highly recommend this five-star experience!"

"Great virtual experience and fantastic host. All the team really enjoyed it and the Zoom breakout session room worked really well. Will definitely be trying more virtual games!"
